## Letter of Recommendation

**RE: LinkTech Incorporated an 8(a) SDB firm**

To Whom It May Concern:

LinkTech has partnered with Berkshire Systems Group, Inc. since January 2002 to provide our customers with a variety of quality turnkey Communications Projects.

Our first hand experience was a very pleasant and lucrative from day one.

The Company employs technicians that take pride in their work. They are efficient and thorough with all of their projects, large or small. LinkTech performs the work on time and with virtually no issues.

Mr. Ramon Melecio has become a very important ally of our company and with his management skills, his dedicated technical crew and excellent business conduct he has helped our company to successfully complete a multitude of projects.

For further information in regards to the business relation between our company and LinkTech, Inc. please call me at (610) 775-1200.

Sincerely,

Mike Manga

Project Manager
